Dear Hiring Manager,

I am writing to express my interest in the Software Engineer position at Infotech Pvt Ltd, as advertised in The Hindu. With a Bachelor's degree in Artificial Intelligence And Data Science and hands-on experience in software development, I am confident in my ability to contribute effectively to your team.

In my current role as a Junior Software Developer at Microsoft, I have been involved in developing, testing, and maintaining enterprise-level applications using technologies such as Java, Python, and ReactJS. I have a strong understanding of object-oriented programming principles and experience with agile methodologies.

I am particularly drawn to Infotech Pvt Ltd due to your reputation for innovation and commitment to high-quality software solutions. I am excited about the opportunity to collaborate with your talented team to create solutions that drive efficiency and business success.

Enclosed is my resume, which provides additional details regarding my skills and accomplishments. I am eager to discuss how my background and qualifications align with the needs of your team. Please feel free to contact me at 91463 13028 or sachinshinde@gmail.com to schedule an interview.

Thank you for considering my application. I look forward to the opportunity to contribute to the success of Infotech Pvt Ltd.

Sincerely,
Sachin Shinde
